

October 12, 2021 Minutes

President Fesenmyer called the meeting to order at 11:30 AM. The Pledge of Allegiance and a Blessing of Food were completed. Six members and a guest were present. No new president has been found. Diana Fesenmyer will check with other Cranberry members to see if a volunteer can be found.

A discussion arose about the four Educational Support Grant applications received from Franklin Area High School. The members were read the letters and decided to award 3 -\$250 grants Rather than 2-\$250 grants since 3 of the 4 applications were for materials for a stress-free saferoom. One was to be at Central Elementary, another to be at Sugarcreek Elementary and the last was to be at Franklin Middle/High School. All members were in agreement.

A report on the 2021 House Of Delegates was given by President Fesenmyer. State Bylaw changes were approved. President Fesenmyer announced that she will now be the Region 9 PASR director starting in January. She will serve as VP/Secretary of PASR Venango if a president can be found.

It was decided to cancel the Christmas Party in December if Covid numbers were up since so few members are comfortable inside restaurants even if vaccinated.

Evelyn Kolojejchick won the door prize. The drawing for Ed Support was won by Ken Nelson. Meeting adjourned at 1:30 PM

Sincerely submitted by Diana Fesenmyer
