PASR Venango Takes Care of its Members PASR SSMHF Committee

Once a member turns 90 years young, we send our nonagenarians \$10 gift cards in May and December! We also send them cards at least four other times throughout the year to let them know we care!

We send cards to members in the hospital if we are made aware. We send cards to members who are in nursing homes, or confined to home due to a disability/surgery/fall. We rely on our members to simply let us know!

Every member gets a birthday card!

Thank-you messages from Members Serviced

It is so nice to get a card from you on my Birthday!

I use my \$10 Walmart Card from PASR Venango to buy bread and milk. It really helps!

Your cards really make me feel connected since I cannot make meetings anymore!

Your cards make me feel involved. Keep me in your prayers!

Just love hearing from my friends in PASR!

Let everyone know that I miss them!

A special thanks to our elves on our Social Service Memorial Fund Committee
